## Why Choose Us

## Friendly Staff

We can assure that our staff will never make you feel like an alien. They will be happy to help you at the time of your need.

## Good Environment

A friendly staff makes a good environment. However, it's not only the staff who make the environment lively. Our partners are equally fun loving and try to lighten up the work atmosphere every now and then.

## Great Opportunities

Working with us will give you the chance to do work in various fields and with various people from various countries. Which in a way provides great opportunities for your career growth.

## Rapid Growth

We believe that as a human we are always growing, but in our office if we see potential in you, your growth will be rapid.

## JOIN OUR TEAM

### Laravel Developer

**Ahmedabad, India**  
**Full Time**

#### Requirements

Brightness Group is looking for experienced mid to senior level Laravel developer with a demonstrated history in object-oriented programming using PHP.

A fantastic opportunity to come and join our well established team as a PHP developer, creating bespoke solutions for our wide range of global corporate clients.

Ideal candidate for this job would be a talented Full Stack Software Developer, playing an integral part of the business; getting involved in numerous projects at any one time.

The candidate must have proven track-record of working with CodeIgniter, Laravel, JQuery, JavaScript and Mysql/ MariaDb.

#### Benefits

- ✓ Personal development plan with world-class exposure on PHP projects.
- ✓ Collaborative Training programs.
- ✓ Encouragement for work-life balance aspects.
- ✓ Fast-tracked career opportunities and a personal development budget.
- ✓ Growing environment with recognizing hard-working individuals.

We Are  
**Hiring**
